

# EZ SAUNA

by Baltic Leisure

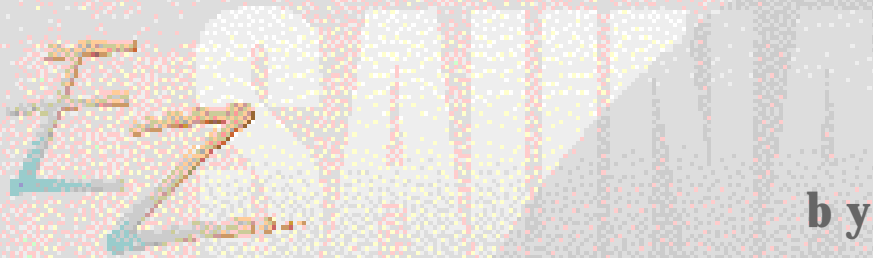

It Doesn't  
Get Any  
Easier  
Than This.

**EZ SAUNA by Baltic Leisure** locks and rolls with total ease. Space will never be a problem with the EZ SAUNA and the healthful experience is never compromised. The EZ SAUNA can be moved virtually anywhere and it can be set up in minutes.

The EZ SAUNA allows one or two people to enjoy the sauna in total relaxation and comfort. The natural beauty of Western Cedar or Redwood add even more appeal to this unique sauna by Baltic Leisure.

## by Baltic Leisure

Baltic Leisure invites you to experience the EZ SAUNA for health and enjoyment on a truly personal level. This versatile sauna is the ultimate solution to limited storage space at an affordable price.

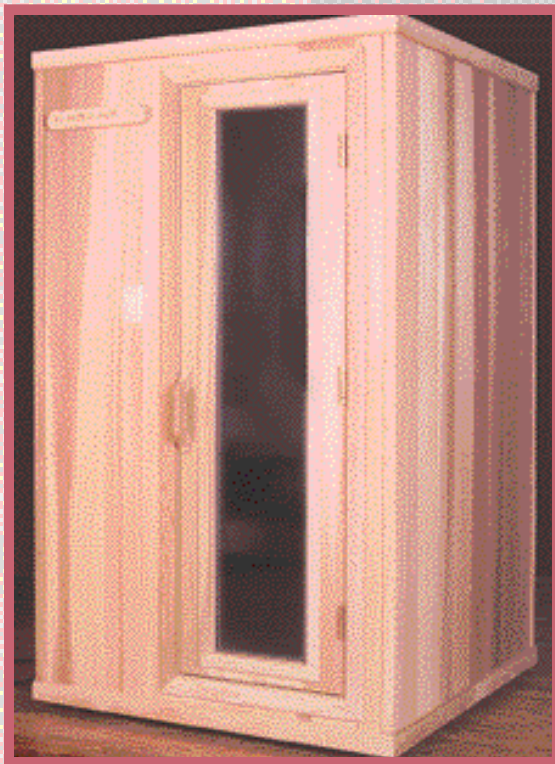

IT DOESN'T GET ANY EASIER THAN THIS.

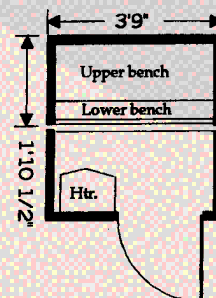

The pre-built, pre-wired and fully equipped EZ SAUNA moves easily into place on factory installed wheels. The two sections line up and lock together.

Unique heavy-duty locking system for added safety and durability.

The finishing touch to hide the locking hardware. Plug it in – and the EZ SAUNA is ready for use!

- Designed so that each half easily fits through a standard residential doorway
- Pre-wired for regular 15 amp outlet
- Timer, thermostat and maximum temperature of 186 degrees F
